1. Relative to the Division Memorandum No. 025, s. 2025, this Office disseminates the following information to the Training Workshop on Science Investigatory Project (SIP) Development Phase 2 (Batch 1).
2. The districts identified with double entries (highlighted) and/or those with teacher-participants who are no longer affiliated with DepEd for any reason, should replace these participants with teachers who have attended the Division or District Roll-out Training Workshop on SIP Development Phase 1. If no suitable replacements are available, preference should be given to Science majors. In cases where the identified participants have been transferred to a different district, they will represent their new district and should be given priority. However, if the new district already has three participants, the transferred teachers must still attend the training workshop, and their slots in the original district shall not be replaced. It is essential to ensure that no district exceeds three participants in total.
