STUDENT LEARNING SESSIONS IN SCIENCE

1. In support to the Department of Education's thrust to improve the country's performance in the 2025 Programme for International Student Assessment (PISA), this office, through the Curriculum Implementation Division, disseminates the conduct of learning sessions in science, which is aimed to enhance learners' competencies aligned with the test frameworks, and to familiarize them with the test format and procedures.
2. The identified Science trainers shall visit the PISA target schools to conduct the learning sessions as scheduled and arranged by their respective principals.
3. Attached is the list of trainers who are reminded to observe proper protocols in coming to the schools and ensure that their classes are attended to while serving as learning facilitators in the two target schools.
4. Principals of the schools where these trainers come from shall provide the necessary assistance and support to ensure that their classes are well maintained during their absence and the learning process is intact.
5. Relevant allowable expenses incurred shall be charged to School MOOE/SEF and other local funds subject to the usual government accounting and auditing rules and regulations.
6. This Memorandum serves as **Travel Order**.
7. Immediate dissemination of, and compliance with this memorandum are directed.
