Dear Dr. Salustiano Jimenez, JD, EdD, CESO III,

I hope this email finds you well.

I am writing on behalf of a group of educators from Singapore who are currently participating in a Leadership and Management Programme at the National Institute of Education, Singapore. Our group, comprising Heads of Departments and Subject Heads from primary and secondary schools across Singapore, is planning a professional learning journey to Cebu from 10 to 14 March 2025, and we would be honoured to include an engagement with the Department of Education Regional Office 7.

The purpose of this engagement is to gain a deeper understanding of the educational landscape in Cebu, including its strengths, opportunities, and challenges. We are particularly interested in:

- The development of 21st-century competencies to prepare students for the future of work and life
- The integration of technology in education and its impact on teaching and learning
- Strategies to support staff well-being in schools

We believe that a professional conversation with you and your esteemed officers will provide valuable insights to enrich our learning journey. We would greatly appreciate any time you can spare to meet with us during our visit.

Thank you very much for considering our request. We look forward to the possibility of engaging in meaningful dialogue with you and your team.

Warmest Regards,
Ahmad Zakir bin Mokhtar
HOD Humanities
Northbrooks Secondary School
