SUBJECT: SCHOOL BASED MASS DRUG ADMINISTRATION (MDA) FOR SCHISTOSOMIASIS AT SAN ROQUE ELEMENTARY SCHOOL AND SAN AGUSTIN ELEMENTARY SCHOOL, TALIBON, BOHOL

1. Attached herewith is a communication from the Municipal Health Office of LGU-Talibon, Bohol dated February 24, 2025 regarding school-based mass drug administration (MDA) for schistosomiasis (Grade 1-6 pupils) to be conducted on April 4, 2025 in San Roque Elementary School and San Agustin Elementary School, Talibon, Bohol.
2. Hence, you are being directed to help in the conduct of MDA.
3. The Medics are entitled to avail of compensatory overtime credit for the services rendered beyond regular working hours or days (holiday or weekend).
4. This Memorandum serves as **Travel Order**. Travel and other incidental expenses shall be charged from MOOE or local funds subject to usual accounting and auditing rules and regulations.
5. For dissemination and compliance.

Subject: **School-Based Mass Drug Administration (MDA) for Schistosomiasis at San Roque Elementary School and San Agustin Elementary School, Talibon, Bohol.**

Dear Madam,

This letter formally notifies the Schools Division Office of the upcoming **School -based Mass Drug Administration (MDA)** for schistosomiasis at **San Roque Elementary School (Grade 1-6 pupils)** and **San Agustin Elementary School (Grade 1-6 pupils)**, scheduled on **April 04, 2025**. This activity is funded by the Department of Health (DOH) Central Visayas Center for Health Development, Bohol Provincial Health Office, and Talibon Municipal Health Center.

We are conducting this MDA to control and prevent schistosomiasis among the school's children population. We have already coordinated with the school principal and secured necessary permissions and parent's consent forms.

To ensure a smooth MDA, we request your office's support in two key areas:

1. **Parental Consent Forms:** Assistance in collecting and reminding parents to submit completed consent forms would be greatly appreciated.
2. **School Nurse Assistance:** We would be grateful for the assistance of 10 school nurses during the MDA to help with the administration of medication and monitoring of students.

Your cooperation is crucial to the success of this vital public health initiative.

Sincerely,

MARIA CARMEL L. DAYOLA, RN

Schistosomiasis Program Focal Person/ HEPO Designate
