DIVISION MEMORANDUM

No. **363**, s. 2025

ATTENDANCE AT THE DOST STARBOOKS TURN-OVER AND ORIENTATION IN INABANGA

**To: Education Program Supervisors
Public Schools District Supervisors / Acting PSDSs
Elementary and Secondary School Heads
All Others Concerned**

1. The **DOST Bohol Provincial Office**, in collaboration with the Local Government Unit of Inabanga, **will provide one (1) unit of STARBOOKS** (Science and Technology Academic and Research-Based Openly Operated Kiosk Station) **to selected public elementary and secondary schools in Inabanga, Bohol.** (See Attachment #1 for the list of recipient schools.)
2. STARBOOKS is an offline digital library developed by DOST that offers access to science and educational resources, including research papers, videos, and learning materials, to support teaching and learning without needing internet connectivity.
3. In connection with this, this Office **requires the attendance** of the **Inabanga District Supervisors, the School Heads of identified beneficiary schools, and two (2) designated STARBOOKS-in-charge personnel per school** (preferably IT staff) at the **STARBOOKS Turn-Over Ceremony and Orientation on June 20, 2025**, from 1:00 PM to 4:00 PM at the **Inabanga Gymnasium**.
4. Identified beneficiary schools are required to complete the **Partner Institution Profile Form** (refer to attachment #2) and submit it via email to starbooks.bohol@gmail.com on or before **June 18, 2025**. This is a requirement to generate a unique institution code essential for running the STARBOOKS system.
5. Each STARBOOKS unit (computer with kiosk) will be officially turned over to the school immediately after the orientation, and we encourage you to bring any available vehicle to transport the kiosk. Refer to Attachment #3 for the kiosk image and dimensions.
6. Travel and other incidental expenses shall be charged from Division/School MOOE or local funds, subject to the usual accounting and auditing rules and regulations. This serves as a **TRAVEL ORDER**.
7. Immediate dissemination and compliance of this Memorandum is strictly directed.
