Assistant School Division Superintendent
Officer-in-Charge
Office of the Schools Division Superintendent

Dear **Ma'am Luarez,**

Humanitarian Greetings!

We are writing to request your esteemed collaboration in conducting CPR campaign drives in schools across the islands of Bohol. Our initiative aims to equip students with essential life-saving skills through mass lecture demonstrations and practical training in Cardiopulmonary Resuscitation (CPR).

This campaign proposes a phased approach, with one school participating per day between **July 18th and October 16th, 2025**. Each participating school will be responsible for gathering at least **100 students** for a comprehensive **CPR lecture and demonstration**. This structured schedule ensures focused training and effective resource allocation.

We believe that incorporating CPR training into the school curriculum is crucial for building a community prepared to respond to medical emergencies. By equipping students with this vital skill, we contribute to a safer and more resilient society.

We kindly request your support in facilitating the participation of schools province wide. Your endorsement will significantly enhance the reach and impact of this life-saving campaign. We are prepared to provide all necessary training materials and resources. We are open to discussing logistics and scheduling to ensure a smooth and successful implementation.

We look forward to your positive response and the opportunity to collaborate on this vital initiative.

Yours in humanity,

ABRIEL JOSEPH M. ATON, RN - 0949-509-7091
