Dear Dr. Luarez

Warm greetings from the Office of the Provincial Agriculturist!

In line with the celebration of the Sandugo Festival 2025, the Provincial Government of Bohol through the Office of the Provincial Agriculturist will be hosting the Sandugo Agri Fair on July 14–18, 2025 at Rizal Park, Tagbilaran City.

As part of this annual event, we are pleased to invite elementary and high school students in your division to participate in the Experiential Learning Challenge, which aims to promote agricultural awareness, appreciation of traditional practices, and cultural heritage among the youth.

The Experiential Learning Challenge on July 14-18, 2025, will feature hands-on activities and traditional games such as Caromata Rides, Lobok Humay (Pounding Rice), Ligis Mais (Corn Grinding), Bunot-Kagud Lubi (Coconut Scraping), Puso Making (Hanging Rice Craft), Plant Propagation Techniques (Grafting and Marcotting)

These activities are designed to be both fun and educational, providing students with meaningful exposure to agricultural practices while instilling pride in Boholano culture and traditions.

For coordination, confirmation of participation, or further inquiries, kindly contact Mr. Marjoe Rey A. Labonite, Chair of the Experiential Learning Committee, at 0929-245-0222 or FB messenger *Rey Marjoe Labs*.

We hope to see your enthusiastic support and active participation in this endeavor as we continue to inspire the next generation of Boholanos to value agriculture and heritage.

Thank you and more power!

Very truly yours,

LIZA M. QUIROG, MNSA
Office of the Provincial Agriculturist
