REGIONAL MEMORANDUM

No. **0729**s. 2025

18 JUL 2025

SUBMISSION OF REPORTED CASES OF HAND, FOOT, AND MOUTH DISEASE (HFMD)

To: Schools Division Superintendents
Assistant Schools Division Superintendents
All Others Concerned

1. In reference to Memorandum No. OM-OASOPS-2025-07-974, this Office, through the Education Support Services Division (ESSD), enjoins all Schools Division Offices (SDOs) to facilitate the **Submission of reported cases of Hand, Foot, and Mouth Disease (HFMD)**.
2. HFMD is a highly contagious viral illness that primarily affects young children and is characterized by fever, sore throat, and rashes or sores on the hands, feet, and mouth. Given its potential to spread rapidly within school and community settings, prompt reporting and coordinated response are vital.
3. In this regard, all SDOs are requested to:
 - **Closely monitor and validate suspected cases** in coordination with school heads, school health personnel, and local health authorities.
 - **Submit the initial report** on or before **July 18, 2025**, through this link <https://bit.ly/HFMDReport>, and provide **weekly updates every Friday thereafter** until further notice.
 - Indicate **"0" in the appropriate columns** if there are no reported cases, to ensure the completeness of regional monitoring.
4. For the information and compliance of all concerned.

MEMORANDUM

OM-OASOPS-2025- 07 - 974

FOR : REGIONAL DIRECTORS
SCHOOLS DIVISION SUPERINTENDENTS
PRINCIPALS/SCHOOL HEADS/TEACHERS-IN-CHARGE
CONCERNED
ALL OTHER CONCERNED

FROM : DR. BEXTER A. GALBAN 
Assistant Secretary for Operations

SUBJECT : SUBMISSION OF REPORTED CASES OF HAND, FOOT, AND MOUTH DISEASE (HFMD)

DATE : July 14, 2025

In light of recent health advisories and the potential increase in the incidence of **Hand, Foot, and Mouth Disease** (HFMD) in various parts of the country, this Office is calling for the immediate submission of reported HFMD cases, if any, from schools within your jurisdiction.

HFMD is a viral illness commonly affecting young children, characterized by fever, sore throat, and rashes or sores on the hands, feet, and mouth. It is highly contagious and can spread rapidly in school and community settings if not managed appropriately.

In this regard, all **Schools Division Offices** (SDOs) are requested to coordinate with school heads, school health personnel, and local health authorities to:

1. **Monitor and validate** any suspected or confirmed HFMD cases in schools.
2. **Submit a report** indicating the number of cases (if any), name of affected schools, age group affected, date of onset, actions taken, and coordination with local health units.

The initial submission is requested on or before **July 18, 2025**, with **weekly updates every Friday thereafter** until further notice. For schools or divisions with **no reported cases**, a **"No Case"** report must still be submitted to ensure completeness of monitoring.

For inquiries, you may contact the Bureau of Learner Support Services-School Health Division (BLSS-SHD), via email at blss.shd@deped.gov.ph.

Your cooperation in ensuring the health and safety of our learners and personnel is highly appreciated.
