Sikatuna National High School
Sikatuna Bohol

Good day!

Greetings of health and safety!

We are writing to respectfully request your permission to conduct a **Hands-Only Cardiopulmonary Resuscitation (CPR) Orientation** for all Senior High School students of Sikatuna National High School. This activity is a collaborative effort between the Sikatuna Rural Health Unit and the Sikatuna Local Disaster Risk Reduction and Management Office (LDRRMO).

The training is scheduled to take place on **July 16, 2025 (Wednesday)**, from **3:00 PM to 4:30 PM**, within the school premises.

This initiative aims to equip students with essential life-saving skills that could be vital in emergency situations. We believe this orientation will significantly contribute to the students' preparedness and awareness in times of crisis.

We hope for your favorable response and support in the implementation of this activity.

Thank you and more power.

Sincerely Yours,

PAZ M. MANIWANG
Municipal Health Officer
