DIVISION MEMORANDUM

No. **520**, s. 2025

2025 FIRST “LEGO” LEAGUE ASIA OPEN CHAMPIONSHIP

TO: Assistant Schools Division Superintendents
Chiefs CID and SGOD
Education Program Supervisors
Public Schools District Supervisors / OIC PSDS
Elementary and Secondary School Heads, Public and Private
All Others Concerned

1. This is to announce the participation of SDO Bohol, represented by Candijay Robotics team in the 25th Philippine Robotics Olympiad in Cotai Expo, the Venetian Macao, on August 6-10, 2025, in the “Submerged” category for key stage 2 learners.
2. Attached are the following:
 - 2.1 **Certification of the official list of participants from Felta Multimedia Inc., the national organizing institution**
 - 2.2 **Official invitation from the international FIRST Lego League to represent the country.**
 - 2.3 **Event agenda**
3. This participation of elementary learners in an international competition is proof of the competence of our learners and coaches, who defeated other teams from prestigious schools in the country.
4. This is another opportunity for the Boholano learners and coaches to prove their excellence in analytical thinking through robotics that promotes Science, Technology, Engineering, and Mathematics in the international scene.
5. It is notable to mention that **Japer MHS invaded Italy as champion in the Robomission JHS category and grabbed the Breakthrough award during the 2024th FLL World Championship in Houston, Texas, USA, among 160 teams. Tubigon West Central High School finished in 3rd place during the 2024th National Robotics Competition, and San Jose NHS, which landed 8th place in the Future Innovators category JHS, during the 2024th World Robot Olympiad held in Turkey.**

6. In this regard, this office, through the Curriculum Implementation Division, also encourages other schools to consider this opportunity as a platform for learners to engage in real-world robotics applications that promote collaboration, critical and creative thinking skills, and ultimately transform their innate faculties to be productive individuals as scientists, engineers, inventors, mathematicians, and data analysts in the future workplace.
7. Travel, meals, accommodation, and other incidental expenses incurred relative to the participation in this international competition shall be chargeable to School/Division MOOE, SEF, donations, and other local funds, subject to the usual COA rules and guidelines.
8. Immediate and wide dissemination of this memorandum is desired.

National Organizer, First Lego league Philippines

May 10th, 2025

Dear Team Philippines,

On behalf of FIRST LEGO League Greater China Committee, we cordially invite you to represent your country to attend the following event:

2025 FIRST® LEGO® League Asia Open Championship

Cotai Expo Hall A – The Venetian Macao
Macao SAR, China

Event Starts: August 7th, 2025.

Event Ends: August 10th, 2025.

FIRST® or For Inspiration and Recognition of Science and Technology is a non-profit organization that aims to engage students in science and technology through hands-on practices. Together with FIRST, we organize the FIRST LEGO League program where teams of 9 - 16 years old students build and compete with LEGO Education robots. We expect 500+ teams from 30+ countries will compete in the 2025 FLL Asia Open Championship hosted by the FIRST LEGO League Greater China Committee and LEGO Education China FLL Program Delivery Partners, which aim to support the FIRST mission while giving the teams the opportunity to engage with other students from around the world.

We hope you can join us and look forward to seeing you at the event. If you have any questions, please feel free to contact us at Jason.Wang@lego.com or Leon.Liang@lego.com.

Sincerely,

Jason Wang
