SUBJECT : **OBSERVANCE OF THE INTERNATIONAL AND NATIONAL**
INDIGENOUS PEOPLES DAY 2025

DATE : **July 28, 2025**

1. The United Nations (UN) has declared August 9 of each year as the International Day of the World's Indigenous Peoples (IDWIP) and enjoins its member nations to participate in the celebration by conducting activities that promote and protect Indigenous Peoples' rights.
2. In support of this UN celebration, the Philippine government signed Republic Act 10689 into law in 2015, declaring August 9 of each year as the National Indigenous Peoples Day in the Philippines.
3. Recognizing its role in promoting the values of inclusion and respect for cultural diversity in basic education, the Department of Education supports these observances through various activities and events that foster awareness about the rights of Indigenous Cultural Communities (ICCs)/Indigenous Peoples (IPs), and promote respect for their identities, Indigenous Knowledge Systems, and other aspect of their cultural heritage.
4. For 2025, the Department of Education's theme for the International and National Indigenous Peoples Day is "**Ating Pandayin ang Kinabukasan, Gabay ang Katutubong Karunungan at Karapatan.**" This localizes the international theme for 2025, which is "*Indigenous Peoples and AI: Defending Rights, Shaping Futures.*"
5. This localized theme dovetails the international context of this year's celebration that highlights the contribution of Artificial Intelligence (AI) in defending the rights and shaping the futures of Indigenous Peoples communities, and the local context of the Indigenous Peoples Education (IPEd) Program in DepEd which is in its second decade of nationally coordinated school-level implementation.

6. With the increasing use of AI in various spheres of human activity, IDWIP 2025 recognizes its potential to contribute to the advocacies of Indigenous Peoples, together with the possible consequences of causing harm on IP communities when misused, abused or manipulated.
7. For DepEd, 2025 is a milestone year as it enters its second decade of strengthening school level implementation of the IPed Program. This process was commenced in 2015 with the training of regional teams on curriculum contextualization, leading to the progressive development of contextualized lesson plans and learning resources to be used by IPed implementing schools.
8. This second decade, the IPed moves forward embracing the challenges of contemporary developments like AI while remembering that through the centuries, Indigenous Knowledge Systems and Practices (IKSPs) that have withstood the test of time, continue to find relevance in a changing world. The continued application and development of these relevant IKSPs in the current times are part of the cultural rights of IP communities that DepEd has committed to uphold. The use of AI and other technologies, when anchored on this commitment, ensures that the younger generations of IPs will continue celebrating, developing and advocating for their cultural heritages, ensuring that inclusion continues to be upheld whatever the future directions of our nation and the world.
9. Guided by the theme and its underlying significance, ROs, SDOs, and schools are enjoined to support the celebration of International and National IP Day for the month of August.
10. Activities organized for these celebrations shall observe the following:
 - a. In dialogue with partner IP communities at the school, schools division, and/or regional level, events shall be aligned with the theme discussed and undertaken with cultural sensitivity and appropriateness;
 - b. with adherence to DepEd Order 9, s. 2005 or *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith* to ensure that classes shall not be interrupted, schools are to conduct activities through discussions related to the theme that are integrated into lessons in the appropriate subject areas;
 - c. For ROs and SDOs, advocacy activities involving the appropriate DepEd personnel shall ensure continuous classes at the school level as directed by DepEd Order 09, s. 2024 or *Implementing Guidelines on the School Calendar and Activities for the School Year 2024-2025*;

(online resources are available at <https://social.desa.un.org/issues/indigenous-peoples/united-nations-declaration-on-the-rights-of-indigenous-peoples>).

Likewise, field offices and schools are enjoined to consult and collaborate with indigenous community elders and other culture bearers as appropriate in the conduct of activities.
