Dear Dr. Luarez,

The Provincial Government of Bohol, through the Office of the Provincial Agriculturist, joins the global community in commemorating **World Food Day 2025**, which carries the theme “*Hand in Hand for Better Foods and a Better Future.*” In this regard, we respectfully seek your kind endorsement and permission to hold the provincial celebration of this important occasion at **Lourdes National High School**.

World Food Day is an annual global event dedicated to promoting food security, sustainable agriculture, and the eradication of hunger. In the context of our province, it provides a meaningful platform to highlight the collective efforts of farmers, fisherfolk, educators, and students in ensuring that every Boholano has access to safe and nutritious food. Through this activity, we aim to foster collaboration among various stakeholders and inspire our youth to become advocates of food sustainability.

The proposed celebration will feature both educational and interactive activities designed to engage students and the community. These include five contests: **Fruit and Vegetable Carving, Cooking Contest, Best Booth Contest, Bangus Deboning, and Poster Making**. Additionally, lectures on nutrition, climate-resilient farming, and school-based initiatives will be conducted to emphasize the role of young people in shaping a food-secure future. Hosting this celebration at Lourdes National High School will not only benefit the school community but also strengthen our provincial efforts toward agricultural development and food sufficiency.

Should you require further details or coordination, please contact **Mr. John Carlos Boyles** at **0962-692-5029** or via email at agribusiness.opa@gmail.com.

We sincerely trust in your favorable consideration of this request and look forward to your support in making the celebration both meaningful and impactful.

Thank you very much for your continued commitment to the education and well-being of our youth.

Respectfully yours,
