COUNCIL OF THE PHILIPPINES

July 15, 2025

**Hon. SALUSTIANO T. JIMENEZ, JD, Ed.D, CESO III**  
Regional Director  
Department of Education – Region VII  
Lahug, Cebu City

Dear Director Jimenez,

Greetings from the Organizing Committee of the IAPESGW 2025 Congress!

We respectfully seek your office's endorsement for the participation of teachers, especially those involved in physical education, sports development, and gender-responsive programming, in the **20th Quadrennial World Congress of the International Association of Physical Education and Sport for Girls and Women (IAPESGW)**, to be held from **November 5–7, 2025**, in the University of Southern Philippines Foundation in Cebu City.

This historic event marks the **first time the IAPESGW Congress will be staged in the Philippines**, bringing global attention to the country's efforts in promoting equity in sport and physical education. With the theme **"Equity in Action: A Global Dialogue on the Advancement of Women and Girls in Physical Education and Sport Innovation,"** the Congress offers a rare opportunity for our educators to learn from and interact with international scholars, policy leaders, and practitioners.

Among the key benefits of participation are:

- Exposure to **international keynote speakers and global best practices** in gender-focused physical education and sport;
- Opportunities to submit and present research abstracts, with accepted work published in an **ISBN-registered Book of Abstracts**, and inclusion in a **Scopus-indexed journal [International Sports Studies](#)** for qualified full paper submissions;
- Attendance to sessions that qualify for **continuing professional development (CPD) credits**;
- Immersion in interactive learning formats such as workshops, panel discussions, and symposia addressing critical issues in the education and sport sectors.

We believe that the Congress will not only **deepen the capacity of teachers** to implement gender-sensitive and inclusive sports education but will also **elevate the regional standing of Cebu and nearby Mindanao** as hubs for innovation, equity, and international collaboration.

We thus hope that the DEPED Region VII will favorably consider issuing a memorandum encouraging or mandating teacher participation, especially from key divisions and public secondary schools with active physical education programs.

You may find attached the profile of the local organizing committee, the event poster, conference program (as of 2025-07) and the matrix of participation fees.

Thank you for your continued support in advancing transformative education through sports.

Yours in Sports,
