To: Assistant Schools Division Superintendent
Chief, CID and SGOD
Education Program Supervisors

All Others Concerned

1. Pursuant to the ongoing implementation of the Alternative Learning System (ALS) Program and in response to the low turnout of Accreditation and Equivalency (A&E) registrants, this Office hereby informs all Public Schools District Supervisors (PSDS), EPSA, ALS Teachers, and other concerned personnel that the **A&E Registration is hereby extended until December 5, 2025.**
2. As of this date, only forty percent (40%) of the projected number of ALS learners have registered for the A&E. In view of this, all PSDS are directed to closely monitor the registration processes in their respective districts. They are further instructed to identify and document the common causes why many ALS learners opted not to register for the A&E assessment.
3. To ensure support, quality assurance, and proper documentation of field concerns, a **Bureau of Alternative Education (BAE) Specialist** will conduct a **Monitoring Visit to all Testing Centers on November 27–28, 2025.** This visit aims to:
 - a. Observe the ongoing registration processes;
 - b. Gather feedback on common issues and concerns encountered during the registration; and
 - c. Provide initial technical support to field personnel as needed.
