**GEOLEARNING TOUR ORIENTATION AND GEOLEARNING TOUR: STRENGTHENING  
SCIENCE EDUCATION THROUGH EXPERIENTIAL GEOSCIENCE EXPOSURE**

To: **Public Schools District Supervisors of Alicia, Candijay, Carmen 2, Maribojoc, Trinidad 2, Loon North, Loon South, Anda, Baclayon, Daus, Talibon 1, Talibon 2, Inabanga North.**

1. The Schools Division Office (SDO) of Bohol, through the Curriculum Implementation Division of Bohol will conduct the **GeoLearning Tour and Orientation on Geolearning Tour: Strengthening Science Education through Experiential Geoscience Exposure** at selected geologically significant sites in the province on December 9 and 10, 2025. This strategic initiative aims to provide hands-on, field-based learning experiences for Science teachers and 4GEON Club Presidents to deepen their appreciation of Earth science concepts through real-world observations. The activity complements classroom instruction and serves as a platform for collaborative learning among schools implementing the **4GEON Program**.
2. Specifically, the activity intends to:
  - To enhance the understanding of Earth science concepts through site-based geoscience exploration.
  - To promote contextualized and experiential learning strategies among Science teachers and 4GEON Club leaders.
  - To identify and document geoheritage features that may be used as local learning resources.
  - To strengthen collaboration among 4GEON Clubs, Science teachers, and PSDSs for sustained geoscience education advocacy.
3. Participants in this activity include the 4GEON Club Presidents and one Science Teacher (as chaperone) from each school implementing the 4GEON Program (*See attached list of the schools and itinerary*). The designated Science Teacher must secure a parental consent form for the student participant. **All participants are expected to be at the Division Office by 7:00 a.m. on December 9, 2025.** To avoid delays, they are strongly advised to arrive **a day before** the scheduled activity. Breakfast will be provided to all participants prior to departure.
4. Geoschools near the geosites to be visited are requested to assigned 4geon club members students to serve as the tour guides during the site visit. These are the following:
