## 2026 Division Festival of Talents

### Contest Guidelines for Judging Through Ranking

#### 1. Judging Process Overview

1. Each entry will be evaluated individually by a panel of judges.
2. Judges will score entries based on predefined criteria.
3. Entries will be ranked according to their total scores to determine winners.
4. Each judge will rank the entries from first place (highest preference) to last place (lowest preference) based on the contest criteria.
5. The ranking from all judges will be combined to determine the overall winner.

#### 2. Judging Criteria

While the rankings do not involve numerical scores, judges must evaluate entries based on specific criteria to ensure fairness. These criteria should be clearly communicated to judges and participants.

#### 3. Ranking Process

##### a. Independent Evaluation:

- Each judge independently reviews and ranks the entries from first to last place.
- If possible, tied rankings are not allowed; each entry must be assigned a unique position.

##### b. Submission of Rankings:

- Judges submit their rankings to the contest organizer or a designated tabulator.

#### 4. Combining Rankings

##### a. Point System:

- A point system is used to aggregate rankings. For example:
  - 1st place = 1 point
  - 2nd place = 2 points
  - 3rd place = 3 points
  - And so on.
- The entry with the **lowest total points** after combining all judges' rankings is declared the winner.

##### b. Tie-Breaking:

- If two or more entries have the same total points, the tie is resolved as follows:
  - The entry ranked higher by the majority of judges wins.
  - If still tied, the head judge or a tie-breaking criterion (e.g., highest creativity) is used to determine the winner.

## 5. Announcement of Results

1. The final rankings and winners are announced publicly during the award ceremony or through official channels.
2. Judges' rankings are kept confidential unless otherwise specified in contest rules.

## 6. Ethical Guidelines

1. Judges must act impartially and avoid conflicts of interest.
2. Judges must review all entries thoroughly before ranking them.
3. Any form of bias, favoritism, or external influence on rankings is prohibited.
4. Judges' decisions are final and cannot be appealed.

### Example of How Rankings Are Tabulated

Judge	Entry A	Entry B	Entry C	Entry D
Judge 1	1	2	3	4
Judge 2	2	1	4	3
Judge 3	3	1	2	4

#### Total Points:

- Entry A =  $1 + 2 + 3 = 6$  points
- Entry B =  $2 + 1 + 1 = 4$  points (Winner: Lowest total points)
- Entry C =  $3 + 4 + 2 = 9$  points
- Entry D =  $4 + 3 + 4 = 11$  points

This method ensures simplicity and fairness without averaging scores.
