DR. FAY C. LUAREZ, EdD, PhD, TM, CESO VI
 Schools Division Superintendent
 Department of Education - Bohol Division

SUBJECT: WORLD BANK MISSION ON PILOT TEST OF WATER, SANITATION AND HYGIENE (WASH) ASSESSMENT IN BOHOL

Dear **Dr. Luarez**:

Greetings of prosperity!

This refers to the Accelerated Water Supply and Sanitation Project in Selected Areas (AWSPSA), which will be implemented in the Province of Bohol by the Department of Public Works and Highways (DPWH) and Department of Interior and Local Government (DILG), specifically known to be the Bohol Bulk Water and Sanitation Project (BWSSP). One of the components of the project is the Water, Sanitation and Hygiene (WASH) which will be implemented in partnership with the Department of Education (DepEd). The World Bank, as the funding institution of the project, is extending technical assistance to the preparatory activities for the (WASH) implementation.

The technical assistance aims to gather baseline information and conduct assessment of identified public institutions, namely: schools, day care center, health services, municipal halls and evacuation centers where WASH facilities will be constructed and turned over to the Department of Education (DepEd) and provincial / municipal local government units. Relative to this initiative, the World Bank will conduct a mission to undertake a pilot test of the WASH baseline form (Kobo toolbox) and to determine the possible enumerator profile and team for implementation of comprehensive WASH data gathering.

In view of this, we would like to inform the Department of Education – Bohol Division regarding the conduct of the following site visits:

Date	Name of School	Alternative Site
March 19, 2026	Biking Technical - Vocational High School	Lourdes National High School Looc Elementary School
March 20, 2026	Candabong Elementary School	Corella National High School

The mission will be composed of the representatives from the World Bank and Provincial Government of Bohol. Should you need more information regarding the activity, you may contact Engr. Angelus L. Sales of the Provincial Planning and Development Office (PPDO) thru his mobile number, 09183562300 or thru Ms. Mildred A. Madronero at 09973565495.

We look forward to your usual support and cooperation.

Thank you!

Very truly yours,

ERICO ARISTOTLE C. AUMENTADO
 Governor
