DIVISION MEMORANDUM
No. 265, s. 2026

BOHOL ROBOTICS EXPO AND OLYMPIAD (BREQ) 2026

TO: Assistant Schools Division Superintendents
Chiefs CID and SGOD
Education Program Supervisors
Public Schools District Supervisors / OIC PSDS
Elementary and Secondary School Heads Public and Private
All Others Concerned

1. This is to announce the 2nd BOHOL ROBOTICS EXPO AND OLYMPIAD 2026 on May 4-6, 2026. This endeavor is made possible through the support of the **Provincial Government**, which is one with us in promoting science and technology skills among our learners.
2. This activity aims to achieve the following objectives:
 - showcase the excellence of the learners in public schools on scientific research and innovations specific to Robotics.
 - Identify qualified teams to represent Bohol in various robotics-related competitions, local and international;
 - Inculcate in the learners and the public the demand to strengthen scientific skills in addressing difficulties to streamline living conditions.
 - Train other interested potential learners and coaches in Robotics.
3. **The Bohol BREQ (Bohol Robotics Expo and Olympiad) will be held at the Bohol Quality Corporation Atrium, which has generously sponsored the event venue since last year. Food and accommodation for participating schools will be provided at Reyna's The Haven and Gardens, Tagbilaran City.**
4. Attached is the list of participants, TWG members and PMT. A team isn't guaranteed a spot at the national level just because they're the only entry in a category. They must still demonstrate their skills during the event, and the judges will decide if they merit advancing.

0050 Lino Chatto Drive Barangay Cogon, Tagbilaran City, Bohol
Tel Nos.: (038) 412-4938; (038) 411-2544 (038) 501-7550
Telefax: (038) 501-7550 email add: deped.bohol@deped.gov.ph

5. Through the Curriculum Implementation Division, this office invites schools—especially those offering special science classes and STEM tracks—to attend the event as observers. It is a rare opportunity for teachers and learners to witness firsthand the vast possibilities awaiting those with a strong passion for science and mathematics, particularly in research, innovation, and technology.
6. This marks the second BREO activity. However, schools that received Robotics kits in 2023 have not yet participated. This serves as a final call—otherwise, the kits will be retrieved and reassigned to schools that are actively engaged in Robotics.
7. The members of the Technical Working Group are called for a virtual meeting on **Friday, April 24, 2026**. The link will be shared in our group chat.
8. Expenses for materials and travel of participating schools shall be charged to School/Division MOOE, SEF, and other local funds. Meanwhile, food and accommodation for participating schools, TWG, PMTs, and judges, as well as other incidental expenses related to the conduct of this activity, shall be charged to the provincial SEF, subject to the usual COA rules and guidelines
9. Expenses for schools joining the BREO as observers, such as travel, food, and other incidental expenses, shall be charged against school MOOE and other available local funds, subject to the usual COA rules and guidelines.
10. This memorandum also serves as a **TRAVEL ORDER**.
11. Immediate and wide dissemination of this memorandum is desired.
