Office of the Undersecretary for Finance

**SUBJECT :** **CONDUCT OF IN-PERSON WORKSHOPS UNDER THE BLENDED TRAINING PROGRAM OF THE EDTECH SOLUTIONS FOR LAST MILE SCHOOLS IN COVID-19 PROJECT**

**DATE :** April 30, 2026

This is to inform your Office of the conduct of **in-person workshops** under the **Blended Training Program** of the **EdTech Solutions for Last Mile Schools (LMS) in COVID-19 Project**, in line with MEMORANDUM DM-OULS-2026-060 dated February 9, 2026, signed by OIC -Undersecretary Carmela C. Oracion of the Learning Systems Strand.

The project, implemented from 2021 to 2026 through grant assistance from the **Asian Development Bank (ADB)**, is currently in its extension phase, wherein the **Blended Training Program** is a key intervention. The training program serves as a follow-through to the training sessions conducted during the pilot phase and aims to further strengthen the capacity of LMS teachers to effectively integrate technology into teaching

and learning. It builds on the gains achieved by the 21 recipient LMS in the provinces of Abra, Kalinga, Bohol, and Zamboanga Sibugay.

The in-person workshops under the training program will be facilitated by Habi Education Lab with support from key DepEd offices and ADB. These will be conducted on the following schedule and venues:

- **Abra (SDO Abra Conference Hall, Bangued):** May 12-15, 2026
- **Kalinga (Davidson Hotel, Tabuk):** May 12-15, 2026
- **Bohol (Reyna's The Haven and Gardens, Tagbilaran City):** May 19-22, 2026
- **Zamboanga Sibugay (SDO Zamboanga Sibugay, Ipil):** May 19-22, 2026

In this regard, may we kindly request your assistance in coordinating the participation of the teachers from the 21 schools supported by the project, as listed in *Attachment 1*. These teachers have previously participated in preparatory activities for the program, including Onboarding Workshop and Co-Development Activities, to help ensure that the training program responds to their needs.

In addition, we kindly request your Office's assistance in providing the necessary logistical support for the participating DepEd Central Office representatives, particularly accommodation and land transportation within the provinces (e.g., transfers between the hotel, training venue, and airport or bus terminal). The participating offices, with five representatives in total per province as listed in *Attachment 2*, shall have the following roles:

- **Project Management Service (PMS)** - Support documentation, deliver opening message linking the initiative to DepEd thrusts and priorities, and observe good practices that can be replicated and challenges that may be addressed in future training initiatives
- **Bureau of Learning Delivery (BLD)** - Present its design principles, walk through the new lesson plan template, and share exemplar materials
- **National Educators Academy of the Philippines (NEAP)** - Shadow the training team, observe good practices, and identify areas for improvement for future program implementation

We would also appreciate your Office's participation and technical assistance during the activity. Meals shall be provided for all the participants (AM snack on Day 1 to PM snack on Day 2), while accommodation expenses of the teachers shall be shouldered by Habi Education Lab. Moreover, transportation and incidental expenses to be incurred by the Regional Offices, Schools Division Offices and concerned schools shall be charged against their respective local funds, subject to existing guidelines.

Further details, including the program of activities and other relevant information on the workshops, will be communicated in a separate memorandum.

For any further clarifications and additional information, your staff may coordinate with the PMS – Project Management Division, Attention: Ms. Melody A. Manalo or Ms. Audrey Marie B. Fontanilla through email: [pms.pmd@deped.gov.ph](mailto:pms.pmd@deped.gov.ph).

Thank you for your continued support and assistance.

2. Following the successful pilot implementation, the EdTech Solutions for Last Mile Schools (LMSs) in COVID-19 Project is extended through continued ADB grant assistance covering the period 2021 to 2026. Under this phase, a blended **training program shall be implemented from February to August 2026**, with recipient schools serving as official participants. The extension builds on the initial training of twenty-one (21) last mile schools in Abra, Kalinga, Bohol, and Zamboanga Sibugay, which were provided with digital learning resources, local area network and solar power systems, and is further enhanced by the **provision of Starlink internet equipment** to support sustained technology-enabled blended learning.
3. The activities under the program seek to further strengthen the capacity of teachers, school heads, and field personnel in integrating technologies into daily teaching and learning, building upon the gains achieved during the pilot phase. It will include in-person and virtual workshops and coaching activities, with training materials to be co-developed with the relevant bureaus and services of the Department, supported by Habi Education Lab and Fortell AI. The detailed activities and schedule are provided in Enclosures 1-3.
4. Recipients shall be re-endorsed by their respective Schools Division Offices (SDOs) using the prescribed form in Enclosure 5. The duly accomplished endorsement shall be emailed to [neap.pdd@deped.gov.ph](mailto:neap.pdd@deped.gov.ph). Endorsed participants are also required to confirm their participation by registering through this link: [tinyurl.com/EdtechBTProgram-Reg2026](https://tinyurl.com/EdtechBTProgram-Reg2026). Schools are expected to re-send the same teachers and school heads who participated in the pilot implementation, as reflected in Enclosure 4.
5. In cases where the original participants are no longer available or connected with the school, the SDO may endorse qualified replacement participants, such as the school's Information and Communication Technology (ICT) coordinator or other personnel deemed appropriate based on the school's needs.
6. Each school is allotted to have a maximum of six (6) participants and may designate personnel to complete this number. The project focal person in the recipient SDO is likewise encouraged to attend the sessions intended for them.
7. Endorsement of the said activity to the listed schools is requested to ensure smooth implementation. Transportation and incidental costs incurred by the regional office, SDO, and schools shall be charged against their respective local funds, subject to existing guidelines.
8. For clarifications and concerns, your staff may coordinate with the National Educators Academy of the Philippines – Professional Development Division, Attention: Mr. Mathew Bofete, through email [neap.pdd@deped.gov.ph](mailto:neap.pdd@deped.gov.ph) or landline 8715-9919
9. For immediate dissemination and appropriate action.
