RE: SCA ACCOMPLISHMENT REPORT AND PERMISSION TO CONTINUE THE SCA OPERATIONS

Dear Dr. Caberte;

Greetings from the office of the young!

We would like to express our deepest gratitude for the unwavering support and collaboration your office has extended to us through allowing the Campus Ministry – Student Catholic Action of the Diocese of Tagbilaran to organize and give programs, leadership trainings and formations to SCA-affiliated schools from the previous Academic Year 2025-2026. It has been a fruitful year of operation. It is with great joy that we inform your office once again of our accomplishments rendered to the units (schools) for the Academic Year 2026-2027.

Moreover, we are glad to inform your office that the Student Catholic Action of the Philippines (SCAP) worked closely and collaboratively with the Episcopal Commission on Youth (ECY) of the Catholic Bishops' Conference of the Philippines (CBCP) in the Catholic Youth ministry. It is also a founding member of the Federation of National Youth Organizations (FNYO), a body composed of different national youth organizations in the country affiliated with the Catholic youth ministry structure of the CBCP-ECY, and is registered in the Youth Organization Registration Program of the National Youth Commission. The Catholic Education Association of the Philippines (CEAP) is very pleased to endorse SCA and is committed to giving them full support.

As another academic year starts, **we would like to take this opportunity to ask for your support once again, to allow the Campus Ministry to continue the operations in the active SCA affiliated units, to re-organize and to organize SCA to other public secondary schools within the Diocese of Tagbilaran. Furthermore, may your office also grant the following:**

- **Endorsement letter to schools we wish to organize and re-organize SCA**
- **Certification to continue SCA operations in the units subject to the protocol of each school and approval of the school principal**

Let us work together to provide a holistic approach in the service for the students, one that integrates faith with the development of their intellectual abilities while also fostering strong Christian values. Rest assured that by giving a place for Campus Ministry through Student Catholic Action, we will help bring the vision and mission of your schools to life.

Thank you so much and we are hoping for your favorable response.

May God bless us in all our endeavors!

In His Service,

SCAⁿ HONEY GRACE L. BRASILEÑO
